references are attached herewith. Also cited in Category A was German 42 33 409, which the undersigned attorney does not have a copy of at the present time.

5 In the Preliminary Examination Report of October 23, 2000, reference was also made to Japanese 06-097656. A copy of this Japanese Reference is attached herewith along with an English-Language Abstract. It is noted that this Japanese Reference was mentioned and discussed on Substitute page 3.

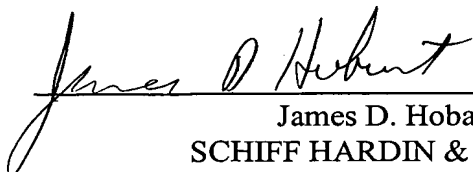

In addition to the above references, the specification, on page 1, mentions an article by Wilcox et al from 1997 International Symposium on Microelectronics, and a copy of this article is attached herewith.

10 Also attached herewith is a copy of German 42 43 040 and WO 96/39298, which two references are mentioned for their technical background.

It is respectfully submitted that claims 1-16 and 18-20 are patentable over the teachings of these references and are allowable.

Respectfully submitted,

15
